

ISLAND CRUISING CLUB Ltd

PLEDGE FORM

TO SUPPORT COMMITTEE PROPOSALS TO BUY A FLOATING CLUBHOUSE AND TO RE-START AN RYA TRAINING CENTRE FOR DINGHY SAILING IN SALCOMBE.

I have considered the proposal put forward by the Club’s committee to buy a suitable vessel for the purpose of providing a base for the ICC and to re-start the “Dinghy Section” RYA sail training operation for members, their children, school children and children with special needs or from disadvantaged backgrounds.

I have decided to support the proposal and understand that the next step is for members and supporters to pledge a donation to go towards the costs of the proposal. I further understand that by signing this form I am committing myself to donate the amount of money I pledge to ICC when asked to do so by a request in writing from the Club’s Treasurer. I am putting forward this pledge on the strict understanding that it will only be called on when the Club has raised sufficient money to buy a suitable HQ vessel and re-start the Dinghy Section.

I therefore pledge to donate :
